**RE: Darryl Williams**

Dear Mr. Wilton:

Confirming our conversation yesterday, I request the inspection of the 2008 Freightliner in order to download the ECM/EDR. I have contacted Gary Johnson of VEAR, Inc. who is highly qualified at downloading EDR's. He informed me that this vehicle's data is definitely downloadable.

Please contact me about scheduling a mutually convenient place and time to conduct said inspection. You informed me that the tractor is back in use, and performing trips from Miami to California. I suggest scheduling a time for the download in Mobile or Birmingham while the tractor is passing through the Alabama area. In the meantime, we request that the EDR/ECM be preserved, protected and untouched until the mutual download happens. Thank you for your assistance.

With kindest regards, I remain,

Sincerely yours,
